Business and Tax Open Day Event

Costa del Sol's foreign community is extremely important for Andalucía's economy. Over many years they have established businesses and have become an intrinsic part of the economic well-being of this region.

One of the strategic targets of the regional government, **Junta de Andalucía**, for this area is that foreign residents further develop their business activities so that they become larger, stronger and expand their activities.

For this purpose, CADE Marbella and British Chamber of Commerce in Spain, in collaboration with the offices of Chartered Accountants Spence Clarke & Co, are organising this **Business and Tax Open Day Event**.

Spence Clarke & Co will provide a 20 minute personal consultation without charge, regarding one of the following main topics:

- a) Business matters, taxation and accounting.
- b) Taxation for individuals - residents and non residents.
- c) Mercantile business matters.

To ensure a consultation we recommend that you book a time in advance. Please contact Yolantha North at 95 282 29 43 or yolantha@spenceclarke.com to make an appointment.

Number of slots is limited to 70. Please book early to ensure a place!
